A Message from the Mayor

On behalf of the citizens of Vancouver, and my colleagues on City Council, I want to extend my warmest greetings to delegates attending the 10th Canadian Quality Congress sponsored by the Canadian Society for Quality. As Mayor, I am very pleased Vancouver was chosen to host this important conference.

The Canadian Society for Quality are the catalyst organization in Canada that invite quality practitioners, organizations, and associations to pool their collective research and knowledge in the relentless pursuit of performance excellence and to make a difference to communities and the nation. I hope that in addition to attending the conference you are able to experience the many cultural and recreational activities the City has to offer. I know everyone involved in organizing the conference will ensure your time with us is special.

Once again, welcome to Vancouver, and I hope you enjoy the Congress!

Yours truly,

Gregor Robertson
MAYOR
